**User Agreement:  
Secure Online Medical Image and Report Viewing**

---

Authorized use of the DR Systems computerized medical image and report viewing service ("the Service") is subject to the following terms and conditions which must be accepted by the user as indicated below:

- 1. You acknowledge that the Service stores patient radiological images and reports and that the purpose of the Service is to permit physicians who treat patients of NRAD-Nassau Radiologic Group to quickly access and view the radiological images and reports of their patients.*
- 2. You acknowledge that you have received, signed and agreed to the terms of the "Registration Form: Secure Online Image and Report Viewing" issued by NRAD-Nassau Radiologic Group. You agree to abide by the terms of the Registration Form when utilizing the Service.*
- 3. You agree to use and disclose all information accessed via the Service only in accordance with the Health Insurance Portability and Accountability Act of 1996.*
- 4. You agree that you will be responsible for any improper use or disclosure of patient information caused by you.*
- 5. A record of each access will be logged and forwarded to NRAD-Nassau Radiologic Group.*
- 6. If this is for legitimate treatment of the patient, please continue, otherwise be aware that you are requesting information for which, if disclosed, you could be held personally liable if used for purposes other than those specified by HIPAA.*

If you agree to the foregoing, please initial next to the "I Agree" and return this form along with your completed acknowledgment form to:
