

NASSAU RADIOLOGIC GROUP PC & AFFILIATES

BILLING & INSURANCE INFORMATION:

We participate with most local and many national insurance plans. However, it is the responsibility of the patient to understand whether their insurance has limits on the doctors they can see or the services they can receive.

If complete and accurate information about their insurance is provided, we will submit claims to their insurance carrier and receive payments for services.

Depending on their insurance coverage, they may be responsible for co-payments, co-insurance, or other deductible amounts.

Please have patients contact our billing office at **516.222.2022** or have them call their insurance carrier should they have any questions.

The information provided is subject to change without notice. Please contact us for the most up-to-date insurance information
