

# VIRTUAL COLONOSCOPY

**Pedunculated tubular adenoma polyp**

**Hyperplastic polyp**

NRAD is pleased to offer Virtual Colonoscopy at our 410 Lakeville Road, Lake Success office. We have been performing Virtual Colonoscopy since 2000, giving us one of the largest experiences in the region. Our physicians are specially certified by the American College of Radiology for the interpretation of these exams.

## INDICATIONS:

- Performed same day following incomplete optical colonoscopy
- Medical contraindications to optical colonoscopy
- Screening covered by select insurance companies

## CPT CODES:

- 0067T Diagnostic
- 0066T Screening

## GENERAL INFO:

- Requires bowel & oral prep
- Air insufflated into colon
- High resolution multidetector CT performed
- 3D images post processed
- Exam interpreted by board certified radiologist
- Results within 24 Hours

## ADVANTAGES:

- Relatively non-invasive
- No sedation
- Low risk of complications
