

VIRTUAL COLONOSCOPY

Pedunculated tubular adenoma polyp

Hyperplastic polyp

NRAD is pleased to offer Virtual Colonoscopy at our 410 Lakeville Road, Lake Success office. We have been performing Virtual Colonoscopy since 2000, giving us one of the largest experiences in the region. Our physicians are specially certified by the American College of Radiology for the interpretation of these exams.

INDICATIONS:

- Performed same day following incomplete optical colonoscopy
- Medical contraindications to optical colonoscopy
- Screening covered by select insurance companies

GENERAL INFO:

- Requires bowel & oral prep
- Air insufflated into colon
- High resolution multidetector CT performed
- 3D images post processed
- Exam interpreted by board certified radiologist
- Results within 24 Hours

CPT CODES:

- 74261 Diagnostic
- 74263 Screening

ADVANTAGES:

- Relatively non-invasive
- No sedation
- Low risk of complications

If you have a patient who may be a candidate for Virtual Colonoscopy,
please call Dr. Eric S. Schnipper or Dr. Pamela A. Weber at
516.328.3636

Eric S. Schnipper, M.D.
